Package	Information
<u>THE MYSTIC DEN</u>	Have the booth setup in a dedicated area for guests to experience a more intimate, parlour style performance of close-up magic. This makes for a more personal touch and is a package unique to Ben's Magic. *The perfect package for weddings, parties, concerts, trade shows, corporate gatherings etc.
<u>THE TAROT ATRIUM</u> (same as in tarot packages)	Being the setup of the magic booth where guests can approach the booth asking for quick fire readings to a full Celtic cross themed reading. Guests often prefer readings being done in private, this setup works perfectly for this reason and is a popular package specifically for weddings.
<u>THE FUSION BOOTH</u> - Magic + Tarot -	Mix & match your entertainment for the day with both magic and tarot... 1) Tarot Booth during drinks reception + close-up table magic 2) Magic Booth during drinks reception + quick fire tarot readings through mealtime.
<u>THE GRAND ALCHEMY</u> - Hosting + Booth -	Combine both the full day hosting package with the booth added in for evening celebrations entertainment, this can be either the magic or tarot booth.
<u>THE FULL SPECTRUM</u> - Host Magic Tarot -	Have the full day wedding package + 20-minute magic show before speeches + Tarot booth throughout drinks reception.

Having the tarot booth is a similar setup to the magic option, where instead of having Ben mingle amongst the crowds doing readings you can choose to have the booth set up for guests who want readings to approach Ben at the booth themselves.

1 Card, quick fire reading to a full Celtic cross reading can be requested and if the guests want to lead the reading with personal questions they want answering, Ben encourages this. However, Ben, as a medium himself can help guide any reading using his connecting abilities to the spirit realm if the guests feel comfortable with this. Tools such as pendulums can help guide with his readings also.

*Guests typically like having their readings take place in a safe, private environment so having the booth as the selected option is the perfect way to help gain the safe space feeling.

EXAMPLES OF DIFFERENT READINGS:

- Quick Fire Readings
- 3 card / 6 Card for past, present & future
- Celtic Cross

And many more!

MIX THE ENTERTAINMENT UP, HAVE BOTH MAGIC AND TAROT OR COMBINE THESE 2 OPTIONS WITH BEN'S EMCEE PACKAGES TOO!

Instead of having Ben walk around mingling with the guests or going amongst the tables, have the booth set up in a specific area of the venue chosen by yourself or the venue, where the guests can come up to Ben at the booth to experience a more intimately set style of magic performed, in the style of a parlour show.

*Theatrical style magic performing in a close-up setting!

*Have Ben share a single trick or a full show style act.

A more relaxed, calm & atmospheric vibe where guests can approach Ben without feeling pressured into seeing something... this is why the magic booth is a standout package as its different to the normal mix & mingle magic and is a package unique to Ben's Magic!

Brilliant for weddings, parties, concerts, festivals and event corporate events such as trade shows and so much more!

MIX THE ENTERTAINMENT UP, HAVE BOTH MAGIC AND TAROT OR COMBINE THESE 2 OPTIONS WITH BEN'S EMCEE PACKAGES TOO!
